

# Dinner Club Constitution

---

## Vision

No fine food shall escape our taste buds.

## Purposes

- To taste the finest foods the culinary world has to offer;
- To share our experiences with others;
- Most importantly, to regularly spend time with friends; and
- To create memories which will be remembered for the rest of our lives.

## Rules

Participants will meet once every month (or as otherwise agreed) and dine at a predetermined restaurant, usually one known for its fine foods.

Within 1 week after each meal, Participants must write a review of their experience at the restaurant

There is no limit on the length of each review.

The review must be a genuine attempt by the Participant to give opinion on the quality of the restaurant.

While the text of the review may focus on any aspect of the restaurant, the Participant must give scores out of 10 for the following aspects of the restaurant:

Category	Weighting
<b>Food Quality</b>	40%
<b>Value</b>	20%
<b>Ambiance</b>	15%
<b>Cleanliness</b>	10%
<b>Service</b>	15%
<b>Overall</b>	<b>100%</b>

The final scores will be tallied and a weighted overall score will be calculated for each restaurant.

A Participant who does not observe the rules as set out above shall be suspended from participating in the club for 1 sitting.

The reviews will be collected by the Nominated Participant, then stored and displayed as appropriate.
